

# Call for Mentors Form

Rochester Area Literacy Council (RALC)  
[www.rochesterarealiteracycouncil.org](http://www.rochesterarealiteracycouncil.org)

The Rochester Area Literacy Council will be hosting a workshop for **Student Authors and Illustrators** on **Saturday, October 22, 2016** from **9:00am-12:00pm** at **French Road Elementary School** in Brighton, NY. One of the goals of this day is to launch a student/teacher mentorship. We want to encourage all students, beyond this workshop experience, to submit a piece of work to the RALC Student Publishing Project. We believe that students will continue honing their skills as writers and illustrators through the trusted partnerships forged on this day.

We seek teachers who are willing to mentor student writers/illustrators. You will need to be available on the day of the workshop to get to know your mentee as a writer/illustrator and to formulate a plan for providing that student with feedback electronically. Through this relationship, please encourage your mentee to submit his/her work to the Student Publishing Project. (See [www.rochesterarealiteracycouncil.org](http://www.rochesterarealiteracycouncil.org) for details of the project).

Your time and willingness to share your expertise would be greatly appreciated.
