

RALC Presents...

UNDERSTANDING DYSLEXIA

with Dr. Doreen Mazzye

Date: Tuesday, 4/18/23

Time: 4:30-7:30pm

Location: French Road Elementary
School

Dr. Doreen Mazzye is an Assistant Professor, Childhood Program Coordinator, and Professional Development School Coordinator in the Department of Curriculum & Instruction at State University of New York (SUNY) Oswego. She teaches literacy courses in the Master of Science in Teaching Residency and the Childhood Programs.. She humbly served The Reading League as a founding board member, a reading instructional coach for the Oswego County Literacy Initiative, and a reading research curator. Additionally, she is the parent of a student with Dyslexia, which perpetuated her ardent advocacy for the application of a structured literacy approach to teaching reading and writing. Her research presentations and publications examine literacy instruction based on the Science of Reading in residency and traditional models of teacher preparation, the impact of professional development and coaching in the Science of Reading on oral reading fluency outcomes, and how the implementation of Science of Reading mitigates learning loss. Dr. Mazzye has presented for *International Dyslexia Association*, *The Reading League*, *Literacy Research Association*, *Global Conference on Educational Research* and *American Reading Forum*, and many other venues. Dr. Mazzye is also an experienced professional development provider and consultant for many districts throughout Central New York.
